Whether it's for the family, work mates, or just you and your partner; you need look no further than The City Pavilion for your christmas celebrations 2019. Our enthusiastic and experienced staff are committed to making this the best christmas ever in the venue. Come in out of the cold winter weather and enjoy the warm christmas atmosphere of this fabulous and exciting setting. There is something here for everyone! Dazzle your guests by having your corporate Christmas party in the sumptuous Millennium Suite; with it's magnificent crystal chandeliers, or join with other companies and celebrate the festive season at one of our all-new tribute nights, where great food and entertainment are the order of the day. Dance the night away at one of our after event parties in our private bowling area complete with it's own bar and DJ.

For the kids, if it's family fun you want, book one of our vibrant themed christmas parties – this new year – or group together with several families and give all the youngsters a memory that they will treasure.

Who knows, if Santa is not too busy, he might even put in an appearance. For you and your partner, try one of our romantic settings in Panna's restaurant (Asian Cuisine). With its amazing food, great atmosphere and entertainment all night it really is the perfect setting for you and your partner to enjoy a Christmas night out.
