- A) I the parent / legal guardian of the child attending this party confirm that:
  - the child does not have any known food allergies or intolerances
- B) The child does suffer with food allergies or intolerances .....
- 1) The child can consume food that is provided by the venue
- 2) The child does use an epi-pen and a qualified person will be with the child to administer if this is needed
- 3) The child would need to bring in their own food on the day which will be safe for them to consume
